**A Mother Strong Tail**  
Nestled in the forest, Mother Strong Tail rests for a moment, one bright eye watching over her curious little ones.

**B Dix**  
Closest to her mother's side, Dix holds tight to the very tip of that long, winding tail

**C Dax**  
With a sly grin, Dax slips away to find the perfect hiding place among the trees.

**D Dux**  
No peeking! Beneath the branches, Dux counts softly, pretending not to listen for his brother's footsteps.

**E Daddy Bird Eye**  
From his shady perch, Daddy Bird Eye keeps watch over The Grove and all who wander through.
